LIVER?
 And the question is well put, for when the liver is
 deranged, you suffer all the miseries imaginable:
 headache, nausea, constipation, depression, ex-
 haustion, and feel that of life generally.
 But what for you feel when nature, aided by the
 proper medicine, takes a fresh start, the circulation
 grows stronger, your appetite is keen, and you
 take pleasure in exercising.
 The right remedy is "L. F.'s" *Stomach's Medicine*,
 a scientific combination of blood purifying
 ingredients, acting at once on the stomach, liver,
 and circulation, giving you a new lease of life.
 You make no mistake in using the old reliable
 "L. F." 35 cents; all dealers.
